

Golf Event Supports Scouts and Hurricane Michael Relief

The annual Boy Scout Golf Challenge held at the Highlands, was a great way to enjoy a game of golf, while supporting Scouting in the Wiregrass and Hurricane Michael relief. We would like to thank all our sponsors again for their help.

The annual tournament was postponed a week due the Hurricane Michael's devastating impact. Marianna Florida is one of the hardest hit areas in our Scout Council service area. We asked golfers to bring a case of water to the golf tournament and set a goal to taking 100 cases with us to Marianna for our 'Boy Scout Good Turn' work day. We're pleased to let you know, the golf event exceeded that goal! The water, plus a truck load of supplies were delivered during our Scout work day at the St. James AME Church. Scouts also cooked meals for the hurricane victims and cleared debris throughout the neighborhood.

Unloading the truck provided by Coleman Worldwide Moving

Distributing water, food and baby supplies

Cooking a hot meal for hurricane victims

Clearing debris behind the AME Church

Clearing debris at homes

Clearing debris in the cemetery
