

## Our Unit Goal

The council is asking for each Pack and Troop to help raise the funds for Camp Alaflor Maintenance.

There are 3 levels of support that will be recognized by the council with special unit recognition.

Our Pack/Troop has chosen a goal of raising:

- \$250—Bronze Level
- \$500—Silver Level
- \$1,000—Gold Level

When our Pack/Troop achieves our goal, we will have the satisfaction of knowing we helped support the Camp Maintenance Fund, plus we will receive:

- ◆ FOS Ribbon for our Unit Flag
- ◆ Unit number listed in the Council E-newsletter
- ◆ Unit number listed on the Camp Support Board in the dining hall at Camp Alaflor
- ◆ Recognition during programs held at Camp Alaflor

We would like to ask every family to consider making a donation to the Camp Maintenance Fund and help us achieve our Pack/Troop goal.

## A Special Gift for Your Donation

Scouts like patches.

\$25 Thank You Gift  
2019 Council FOS  
Shoulder Strip

Scouts like camping. The camp lantern lights the way for the Scout on the camp trail. Scouting lights the way for the Scout on the trail of life.

\$100 Thank You Gift

## Who Pays for Scouting?

Who pays for Scouting? As parents and volunteers, we all know the answer to this question; We Do, along with our Scout sons.

This is by design. A Scout who helps pay for his Scouting adventure, learns the very important value of self-reliance and 'paying his own way in life'.

Through our Pack/Troop fundraisers, we raise the funds we need to run our program; to pay for things like:

- ◆ Supplies
- ◆ Recognition and awards
- ◆ Equipment
- ◆ Special Outings

Our Scout Council also conducts fundraisers to pay for the many services that support our Pack/Troop. Just a few of these services include:

- \*Camp Alaflo Maintenance
- \*Camp Program Equipment & Supplies
- \*Fall Membership Recruitment Tools
- \*Scout Accident & Health Insurance
- \*Centralized Council Service Center
- \*Volunteer Leadership Training

## Past Camp Alaflo Improvements

During the past several years, many improvements have been made to Camp Alaflo, and we are greatly appreciative to the volunteers and donors, who have made this possible.

Here is a small list of projects completed:

- New Stove, Convection Oven, and Flat Surface Grill in the Kitchen.
- New Compressor for large Freezer.
- Installed an Air Conditioning System in the Dining Hall.
- Enfinger Cabins Built.
- Renovated Camp Shower House as well as Converted Proctor Showers into unisex.
- Elmore Lodge was constructed with modern restrooms and air conditioning.
- In the activity field, the following were constructed to enhance Scouts' fun: Gaga Pit, Human Foosball Court, Kickball Court, and Group Pavilion.

## Family Friends of Scouting Goal

Again this year, the council is conducting the Family Friends of Scouting Campaign to raise the funds needed to provide maintenance at **Camp Alaflo**. Our council has been blessed to have this outstanding camping facility that serves as the location for many of our Pack, Troop and Council programs. Camp is where Scouting 'comes alive'.

Our goal is to raise **\$12,000** for the Camp Maintenance Fund; which will provide:

- ◆ Building Materials
- ◆ Equipment Repairs
- ◆ Equipment Rentals
- ◆ Tools
- ◆ Camp Truck & Tractor maintenance, repairs, fuel, parts and tires

Donations to Camp Maintenance Fund through the Family Friends of Scouting Campaign will help ensure we can provided these very important needs.

Other camp costs including camp ranger, insurance and utilities are funded through the Golden Eagle Dinners and we thank those who also support that fundraiser.
